## Disciplinary Policy

As a Christian school, we believe in the importance of shaping the students to be Christ-like in their thoughts and actions. Students are expected to live according to the Word of God, responding to one another in love, and growing in the development of Godly character as described in Galatians 5:22-23 (...the fruit of the Spirit is love, joy, peace, patience, kindness, gentleness, and self-control") It is the goal of TSCS to train up the students to abide by the Biblical teachings of Christ. Students are expected to be respectful to the teachers and follow the rules and regulations of the school.

At TSCS, we believe that all students should be treated with the love of Christ and should be disciplined with the love of Christ. Our teachers use positive reinforcement to encourage the students to demonstrate Christ-like behavior. The children are expected to show respect and obedience towards their teachers. Age-appropriate consequences are given when students consistently react in defiance or misbehavior. We believe that a strong partnership and transparent communication with the parents are essential to addressing behavior.

### Discipline Policy:

1. First Offense - Warning: Teachers will give a verbal warning to redirect the student's behavior and correct them to meet the classroom expectations.
2. Second Offense - Warning: Teachers will give a second verbal warning and provide a clear consequence if the student does not correct their behavior.
3. Third Offense - Consequence: Teachers will give a consequence to the student, appropriate to the offense. Consequences can be:
  - a. Reduce Play Time (# of minutes to sit out will be equivalent to the child's age)
  - b. Removal of Student from Activity
  - c. Relocation of Student from Activity
  - d. Student removed from the classroom and sent to the Principal's Office
4. If the child continues to demonstrate disobedience after the consequence, the student's parents will be notified and the child will be sent home.
5. The following behaviors will not be tolerated and result in an immediate suspension for 24 hours.
  - a. Physical violence and acts of aggression toward others
  - b. Excessive verbal aggression or inappropriate language towards others

#### Disciplinary Action:

TSCS emphasizes the importance of collaboration between the family and the school in addressing behavior and discipline. If there is no improvement in the student's behavior even after the full implementation of the discipline policy, the school may decide that TSCS is not the right fit for the student. TSCS reserves the right to terminate the contract and withdraw any student causing disciplinary issues or disruptions to the learning environment. It is important to note that no refunds will be issued for students requested to withdraw under these circumstances.
